Robot Says step cards

One set per group. The teacher holds them up: first, next, last.

clap

stamp

turn

Floor labels: first, next, last

Cut out and tape to the floor, left to right, inside the taped boxes.

My 3 steps

Draw three steps of something you do every day. Name: _____

1 **first**

2 **next**

3 **last**

Cardboard Ayo

Used all year as the “robot” children program on the floor grid.

1. Print Ayo, colour him in, and glue him onto card (a cereal box works well).
2. Cut him out and tape a folded card strip on the back so he stands up.
3. No card? Draw a face on any small box. That is your Ayo.
