02 · Lesson spec

Revision & reinforcement (Smart Review) · 40 minutes · quick recall, then 4 stations · fully unplugged · no quiz

Goal	**I can put steps in order and fix a mistake.**
Core parts	Move + Code
Key words	All Term 1 words
Materials	Four station signs (Printables); card sets from Weeks 1–9; ↻ cards; taped straight path with box gate; cardboard Ayo; Term 1 checklist (Guide 05)

1. Quick recall (5 min)

- Hold up a routine card (e.g. brush teeth). Children say **first, next or last** and act it. Do 5–6 cards fast.
- Mix in: “What does ↻ mean?” · “Which card makes Ayo freeze?” · “What do we say to Silly Ayo?”
- Keep it fast and fun: retrieval, not teaching.

2. Smart Review stations (25 min)

Station	What children do	Checklist item
1 · Order the Cards	Put 3 cards in order **from memory**; say first, next, last; act them	Orders 3 steps · Uses first, next, last
2 · Fix Silly Ayo (teacher)	A friend swaps two cards; find them and swap them back; act to check	Fixes a wrong card
3 · Do It Again	One move + ↻ ↻ = 3 times; the group counts	Does one move 3 times with ↻
4 · Straight Path	Robot Says on the taped line: plan forward/stop cards, run, fix	Orders 3 steps · Fixes a wrong card

- About **6 minutes per station**; groups of 4–6 rotate on two claps.
- **The teacher stays at Station 2** and fills in the Term 1 checklist. Note anyone who needs support before the Week 11–12 station check.
- **Stretch:** harder station cards (4 cards) at Stations 1 and 2.

3. Share (10 min)

- **Create:** draw your favourite Ayo game this term (Review sheet).
- A few children show their drawing and say what the game was.
- **Close:** “You remember so much! Next week we build our own Robot Says project.”
- **Activity Book pp33–34:** the Code it! page is a review game of 4 small tasks, one for each of the 4 term skills (the same skills as the Week 12 stations), and the Draw it! page asks for a favourite game from the term. Children can point or say the answer. Not marked.

Term 1 common mistakes

What children do	How to respond
Reshuffle all cards instead of finding the two that are wrong	“Check each card. Act the first one. Is it right?”
Act all the cards at once	“One card, one action. Pause.”
Read cards right to left	Start at the orange FIRST box every time
Treat ↻ as a new move	Point up: “↻ means do **that** card again.”
Move Ayo before all cards are down	“Plan first! All cards down, then go.”
Forget the stop card	Run it: Ayo walks past the gate. “What card is missing?”

What if it doesn’t work?

- Four stations is too many → run Stations 1 and 2 today and 3 and 4 tomorrow, or play each as a whole class.
- No signs or cards → say the station name and use acting and hand signs.

Support and stretch

- **Support:** at Station 2 the teacher starts with 2 cards, then 3; the child gets extra turns.
- **Stretch** (optional, never assessed): 4-card station cards.

How we check

Observation during stations, no quiz. Use the Term 1 checklist (Guide 05). Anyone not yet Secure gets extra turns before the Week 11–12 station check.

> **Safety**
> Spread stations out. Walk between them. Small jumps only at Do It Again.
