10 · Project sheet · End-of-Year Showcase

Showcase · Nursery 1 · Term 3 · Week 13 · end of Nursery 1

1. At a glance

Time	About 60 minutes with families (plus a morning catch-up)
Group size	3–4 stations run by children; families visit
Learning goal	I can show and explain how I guide Ayo, fix a mistake and solve a problem.
Coding idea	Communicate learning: show the program, explain the steps, fix a bug live.
Week link	https://rhinoxscientifica.com/q/n1-t3-w13

2. Materials needed

Item	Per	Low-cost swap
Week 11 ramps and towers + grid rows	station	Book ramps and chalk squares
Route cards + cardboard Ayo + toy car	station	Hand-drawn cards; a toy
Term 3 and Year badges + certificates	child	Black-and-white print to colour
“My year with Ayo” cards	child	Folded paper
Self-reflection sheet	child	Say the faces aloud
Showcase wall (photos and drawings)	class	A table display

3. Safety and care

- Clear walkways for visitors.
- Children walk at stations; no climbing on ramps.
- Adults supervise doors and the playground.
- Children go home only with their own grown-up.

4. Before the lesson

1. Send the invitation (Guide 05, Part B).
2. Finish the catch-up checks and decide both badges.
3. Print badges, certificates and home cards (Printables).
4. Set up the stations and the showcase wall.

5. Step-by-step guide

Step	Teacher says	Children do
1	“Families, welcome! Our Step Thinkers will show you their year.”	Stand at their stations
2	“Show your family Ayo’s route to the ramp.”	Lay 3 cards; run Ayo; roll the car
3	“Family, swap two cards. Can your child fix them?”	Find and swap back two cards

Step	Teacher says	Children do
4	“Now our badge ceremony!”	Say the thinking steps
5	“[Name] is a Step Thinker for Nursery 1!”	Receive the Term 3 and Year badges
6	“Take home your My year with Ayo card.”	Explain it to the family

6. Explore it

Question	Can I explain what I learned this year to my family?
Predict	“Will your family understand your Ayo route?”
Try	Explain your 3 cards; let a family member swap two and fix them.
Observe	“Did your family understand? Did you fix the swap?”
Explain	Telling others what we did helps us understand it better.

7. Talk about it

1a. What can you do now that you could not do at the start of the year?

1b. Which Ayo game was your favourite?

1c. What was the hardest?

2a. Show your family your route and fix a swap.

2b. What is a problem you solved?

2c. What do you want to learn in Nursery 2?

8. Support and stretch

Support	A friend or the teacher stands beside the child at the station; the child can point instead of speaking.
Stretch (optional)	Explain your work to a visitor in full sentences. Celebrated, never assessed.

9. How we check

Self-reflection smileys (not marked). Badges come from the Weeks 11–12 records.

I can say the problem and its small steps.			
I can try another way.			
I can change my build after a test.			
I can put 3 steps in order and fix a wrong card.			

10. Take-home and parent note

Dear parent or carer

Thank you for coming! Your child has finished **Nursery 1** of Think • Move • Code!
Use the **My year with Ayo** card at home: ask your child to tell you about each term.

11. Show and share

- Children run their stations for families.
- Badge ceremony: **Step Thinker · Term 3** and the **Step Thinker Year badge**.
- Everyone says: “I can solve small problems!”
