Practice & Play: Make Your Own Pattern · 40 minutes · Use–Modify–Create stations in groups of 4–6 · fully unplugged · no new concept

Goal	**I can make my own AB pattern.**
Core parts	Move + Code
Key words	make · my own · change · pattern
Materials	Three station signs and move cards (Printables); blank A–B pattern strips; cut-out Ayo; paper scraps or local fabric pieces; glue sticks; a phone or camera for photos (optional)

1. Watch (5 min)

- **Say:** “You know lots of patterns now! Today we **copy** one, **change** one, then **make our own**.”
- Show the three steps on your fingers: 1 copy it, 2 change it, 3 make it.
- Do it once in front of the class: jump, clap, jump, clap → change clap to stamp → jump, stamp, jump, stamp. Ayo (cardboard) “dances” it.
- **Hand signs:** make = build with fists · my own = hand on chest · change = swap hands · pattern = draw waves in the air.

2. Use–Modify–Create stations (25 min)

Station	Starts from	What children do
1 · USE: Copy it	The teacher’s AB dance	Copy the teacher’s dance (jump, clap, jump, clap) and keep it going.
2 · MODIFY: Change it (teacher)	A known AB pattern	Change one move (clap → stamp) and dance the new pattern: jump, stamp, jump, stamp.
3 · CREATE: Make it	Your own idea	Choose 2 move cards (A and B), lay them 3 times on a strip, and a friend dances it for Ayo.

- Three stations, about **8 minutes each**. Groups of 4–6 rotate on two claps. Every child visits all three, in order 1 → 2 → 3 where possible.
- **The teacher stays at Station 2** (Modify), the step children find hardest. Ask: “Which move did you change? Is it still a pattern?”
- At Station 3, the child lays move card A, then B, then repeats them **3 times** (A B A B A B). A friend dances it for Ayo.
- **Stretch:** teach your pattern to the class.

3. Share (10 min)

- **Create:** make your own AB pattern with paper scraps or fabric pieces (or finish it at home).
- **Activity Book page (4 min):** draw your own AB pattern. Not marked.
- Three or four children show their strip; the class dances it. Take a photo of each strip (evidence).
- **Close:** “Copy it, change it, make it! Now it’s your pattern.”

Common mistakes

- Choosing the same card for A and B (clap, clap, clap) → “That is one move again and again. Choose a **different** move for B.”
- Changing two moves at the Modify station → “Change just **one** part.”
- Forgetting to repeat → “Say it: A, B, A, B, A, B. Three times!”

What if it doesn’t work?

- Rotation is too slow → do Use and Modify as a whole class, then Create in groups.
- No fabric or scraps → use coloured paper, leaves, or drawings.

Support and stretch

- **Support:** at Station 3, give the child the A card and let them choose only B. Say it together.
- **Stretch** (optional, never assessed): teach your pattern to the class.

How we check

Observation only. Use the class checklist (Guide 05): copies, changes and makes an AB movement pattern for Ayo. Add a photo of the child’s strip.

> **Safety**
> An adult does all cutting. Scraps and fabric pieces bigger than a toilet-roll opening. Glue sticks only. Space to dance.
